## AN OPPORTUNITY FOR SMALL INVESTORS.

There is no surer or safer investment than good inside City Property, but it takes money to handle propositions like this, and the man with small capital is barred. Growing new towns, with conditions favorable to permanency afford an opportunity to the small investor to place his savings where his money will earn a handsome profit, equal in proportion to that of his more fortunate brother with larger means. ### THE WEARY WAY.

Daily Becoming Less Wearisome to Many in Santa Fe.

With a back that aches all day, With rest disturbed at night, Annoying urinary disorders, 'Tis a weary way, indeed. Doan's Kidney Pills, drive weariness away.

Are endorsed by Santa Fe citizens. Alberto Garcia, ex-police officer of San Francisco Street, says: "When a man has attacks of backache for four or five days at a time and those attacks extend over a period of two years, he must arrive at this conclusion, he is subject to some form of kidney complaint. In my case other symptoms plainly indicated that I required a medicine to strengthen my weakened kidneys, and allay inflammation of those organs. This led me to go to Ireland's Pharmacy for Doan's Kidney Pills. They certainly helped me a great deal and I am pleased to recommend them."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

### STOMACH TROUBLES.

Mrs. Sue Martin, an old and highly respected resident of Falconia, Miss., was sick with stomach trouble for more than six months. Chamberlain's Stomach and Liver Tablets cured her. The awful fire of 1871 which swept over Chicago destroyed 18,000 buildings, caused 200 deaths, made homeless 70,000 people and destroyed property to the value of \$200,000,000. Yet Chicago has been rebuilt, and its disaster forgotten.

Mrs. S. Joyce, 180 Sullivan St., Claremont, N. H., writes: "About a year ago I bought two bottles of Foley's Kidney Cure. It cured me of a severe case of kidney trouble of several years' standing. It certainly is a grand, good medicine, and I heartily recommend it." Ireland's Pharmacy.

Sciatica Cured After Twenty Years of Torture.

For more than twenty years Mr. J. B. Massey, of 3322 Clinton St., Minneapolis, Minn., was tortured by sciatica. The pain and suffering which he endured during this time is beyond comprehension. Nothing gave him any permanent relief until he used Chamberlain's Pain Balm. One application of that liniment relieved the pain and made sleep and rest possible, and less than one bottle has effected a permanent cure. If troubled with sciatica or rheumatism why not try a 25-cent bottle of Pain Balm and see for yourself how quickly it relieves the pain. For sale by all druggists.

## MINES AND MINING.

### Otero County.

Under the heading: "A Remarkable Soda Spring," J. A. Eddy in the Mining and Engineering Journal describes the soda spring recently discovered in the White Sands. He says:

"Undoubtedly one of the most remarkable springs in the world has recently been discovered in New Mexico. It is literally a spring saturated with sodium sulphate. Distilled water weighs 8.33 pounds to the gallon. The water of this spring weighs 10.66 pounds per gallon, and evaporation yields 3.13 pounds of dry solid matter, of which 83 per cent is sulphate of soda, crystallizing out chemically pure.

"The sulphate of soda crystal contains 57 per cent water. At 110 degrees F. it melts in its own water of crystallization; and the temperature of the spring being slightly in excess of 110 degrees F., the saturated liquid upon overflowing and cooling immediately forms a crystalline mass like ice.

"The natural inquiry arises as to the deposit or accumulation of ages from this spring; for, unless it discharged into a stream of fresh water, the deposit would be vast in extent. No more fitting location could be imagined, for it is in the lowest portion of a vast sink or basin, scores of miles in extent.

"The deposit therefore has formed a vast bed, miles in extent, of solid sodium salts, through which this spring, by reason of its heat, maintains its channel and continues to augment the deposit. Inasmuch as the soda crystal effloresces, or gives up its water by evaporation, the elements serve to smooth and level the surface; so that the lake, though dry, is white as snow and bears some resemblance to a northern lake in the embrace of winter.

"It would seem impossible for either animal or vegetable life to exist in this hot brine, or in the dry soda of the lake surface; and yet the brine is inhabited by a minute shrimp like organism, and a species of plant is often found thriving in the pure white sodium sulphate."

### APRIL'S RECORD.

Not a Single Day Without Sunshine—Heavier Precipitation Than Usual.

Not a day without sunshine, six days with 100 per cent of sunshine, 13 clear days, 8 partly cloudy days and 4 cloudy days, and an average of 70 per cent of sunshine, such was the record of April just past, according to the U. S. Weather Bureau in this city. April has made a better record here before, but nevertheless, one would have to go far to find a climate where the month, proverbially fickle, made a better showing. The average temperature was 47 degrees, the maximum temperature 69 degrees, the minimum temperature 58 degrees, and the mean minimum temperature 36.2 degrees. The accumulated excess of temperature since New Year amounts to 61 degrees. The precipitation was 2.23 inches, the snowfall one-third of an inch on April 6. The accumulated excess of precipitation since New Year is 1.25 inches. The greatest daily range of temperature occurred on April 14 and was 33 degrees, the least range occurred on April 7 and was 9 degrees. The prevailing direction of the wind was from the southwest, the total movement was 6,849 miles, the average hourly velocity 9.5 miles; the maximum velocity was 48 miles an hour from the southeast on April 3. The mean relative humidity was 49 per cent at 6 a. m. 60 per cent and at 6 p. m. 38 per cent. There occurred five thunderstorms, two hail storms, two heavy frosts, one light frost and two fogs but the latter were noticed by no one else it seems, besides the Weather Bureau.

### SAFE DYNAMITED.

Robbers Visit Office of Brewery in Douglas and Secure Large Amount.

Unknown cracksmen visited the city of Douglas, Arizona, Monday night, secured \$600 in cash and currency from the safe of the Copper City Brewing Company and disappeared without leaving a trace of their identity. The skillful work done by the thieves is taken as a sure indication that they were old timers in the business and that the job was carefully planned. The robbers used nitro glycerin in opening the safe, and evidently made use of an over abundance of the explosive because the office in

which the safe stood was as badly torn up as though it had been visited by an earthquake. Although the sound of the explosion was heard by Night Engineer Reese, he thought the noise came from blasting at one of the neighboring smelters and did not investigate the report. When the office employees reported for work in the morning they discovered the robbery had taken place and notified the police authorities. No clue as to the identity of the robbers has as yet been obtained.

### More News from the New England States

If anyone has any doubt as to the virtue of Foley's Kidney Cure, they need only to refer to Mr. Alvin H. Stomps, of Willimantic, Conn., who, after almost losing hope of recovery, on account of the failure of so many remedies, finally tried Foley's Kidney Cure, which he says was "just the thing" for him, as four bottles cured him completely. He is now entirely well and free from all the suffering incident to acute kidney trouble. Ireland's Pharmacy.

### Not if as Rich as Rockefeller.

If you had all the wealth of Rockefeller, the Standard Oil magnate, you could not buy a better medicine for bowel complaints than Chamberlain's Colic, Cholera and Diarrhoea Remedy. The most eminent physician can not prescribe a better preparation for colic and diarrhoea, both for children and adults. The uniform success of this remedy has shown it to be superior to all others. It never fails, and when reduced with water and sweetened, is pleasant to take. Every family should be supplied with it. Sold by all druggists.

### Pirating Foley's Honey and Tar

Foley & Co., Chicago, originated Honey and Tar as a throat and lung remedy, and on account of the great merit and popularity of Foley's Honey and Tar many imitations are offered for the genuine. These worthless imitations have similar sounding names. Beware of them. The genuine Foley's Honey and Tar is in a yellow package. Ask for it and refuse and substitute. It is the best remedy for coughs and colds. Ireland's Pharmacy.

Kidney complaint kills more people than any other disease. This is due to the disease being so insidious that it gets a good hold on the system before it is recognized. Foley's Kidney Cure will prevent the development of fatal disease if taken in time. Ireland's Pharmacy.
